

## Property Services

We are now very happy to offer 360° tours of properties, both internally and externally, to those who wish this facility.

It is worth noting that we also provide a full accompanied viewing service, which is available seven days a week. This can eliminate a great deal of pressure during the selling process and is particularly beneficial to elderly clients, or during holiday periods, or even weekends away.

We are pleased to announce that the Perthshire Solicitors' Property Centre (PSPC) provides a service over seven days and is open also 9am-4pm on Saturday. A Sunday telephone service is available between 12 noon and 3pm. As a result of this viewing appointments can also now be made for most of our properties outwith our normal office hours and by contacting PSPC.

Their contact number is 01738-635301 and their website is [www.pspc.co.uk](http://www.pspc.co.uk)

FREE, no obligation, pre-sale advice, valuation guide and follow-up fee quotation upon request. Please contact our 24 hour line, 01738-441124.
